

Pancyprrian Association of English Teachers

16 August 2023

Dear colleagues,

The **International Association of Teachers of English as a Foreign Language** (IATEFL) is running a new web event, a training day on current themes in English language teaching called ***IATEFL Themes 2023***, on Saturday 16 September 2023 at 11 am - 3 pm UK time.

This one-day online training event will focus on a range of the most up-to-date themes in English language teaching this year, and so will ensure you refresh and develop your knowledge of current ELT themes. The event is open to all English language teaching professionals.

As an additional benefit to members of our teaching association, which is an IATEFL Associate, IATEFL is offering a £5 discount on this event to PAET members, making the event £15 instead of £20.

You can use the discount code: **Themes2023AM** when you register for the event on the IATEFL website: <https://www.iatefl.org/events/450>. Please do not share this discount code publicly.

You should, however, sign into your IATEFL account before booking your place at this event. If you do not have an IATEFL account, create one for free at: <https://www.iatefl.org/user/register>. Without doing this, the system cannot see that you are a PAET member and will charge you the full amount. Then just follow the instructions to finish booking your place at ***IATEFL Themes 2023***.

Best regards,

The PAET committee
